

BOOK ARCHITECTURE STANDARD

Front Matter & End Matter Template Layout (Amazon KDP 6" x 9" Trim)

This standard parameters document defines the sequence, naming rules, and Table of Contents (TOC) positioning for all books produced under the **Hexadigital Academy** imprint. It ensures that the reader's transition from front pages into the core personal narrative, and finally into the closing resources, feels intuitive and structurally clean.

1. MASTER TOC POSITIONING MAP

In a premium 6x9 trade paperback layout, traditional front matter pages use lowercase Roman numerals (i, ii, iii) or are unnumbered in the display, but they must be mapped out strategically to orient the reader. Below is the blueprint of exactly how the front matter and end matter wrap around your primary text chapters inside the table of contents:

<i>Half Title Page (Book Title Only)</i>	[Unnumbered / i]
<i>Title Page (Imprint, Author, Full Title)</i>	[Unnumbered / iii]
<i>Copyright & Production Notice</i>	[Unnumbered / iv]
<i>Dedication Page</i>	[Unnumbered / v]
The Map of This Book (Table of Contents)	[vii]

<i>A Letter to the Reader (Foreword / Preface)</i>	[ix]
Let's Talk Truth: Chasing a Lie (Introduction)	1
Part 1: The Things That Don't Burn	5
Chapter 1: Looking Past the Spark	7
... [Subsequent Chapters Continue naturally]	...
A Final Note From the Porch (Epilogue / Closing Words) ...	[Arabic Page Continued]
<i>Acknowledgments (The People Behind the Build)</i>	[Arabic Page Continued]
<i>Hexadigital Academy Resources & Programs</i>	[Back Matter Appendix]
<i>About the Author</i>	[Final Page]

2. FRONT MATTER STRUCTURE TEMPLATE

The front matter initializes the reader's experience. To match the warm, cordial tone requested, formal academic designations are replaced with intimate, direct equivalents:

A. Half Title & Main Title Pages

- **Half Title:** Single page containing only the main title: *Love Is Nothing*. written in minimal, striking typography. No author name, no decorations.
- **Main Title Page:** Displays the complete title statement: *Love Is Nothing. Love Comes From Everything Long Lasting*. followed clearly by the author credit **FVMMD** and the baseline publisher asset **Hexadigitall Academy**.

B. Standard Copyright Configuration

Placed strictly on the back (verso) of the Main Title page. It must contain the core operational publishing protections configured as follows:

Love Is Nothing. Love Comes From Everything Long Lasting.

No part of this publication may be reproduced, distributed, or transmitted in any form or by any means, including photocopying, recording, or other electronic or mechanical methods, without the prior written permission of the publisher, except in the case of brief quotations embodied in critical reviews.

Published by Hexadigitall Academy

C. Dedication Page

A clean, right-hand (recto) page containing an intimate, focused dedication sentence. It is centered horizontally and vertically on the page, printed in italics, without headings or label decorations.

D. A Letter to the Reader (The New Preface)

Replaces standard introductions or prefaces. Written as a direct, intimate, personal note from the author to the individual holding the book, breaking down why this book had to be written and establishing the raw, conversational baseline before Chapter 1 begins.

3. END MATTER STRUCTURE TEMPLATE

The end matter wraps up the book, shifting the relationship from a finished reading assignment into an interactive partnership model.

A. A Final Note From the Porch (The Epilogue)

An informal, personal wrap-up. It reads like a parting goodbye at the end of a long, meaningful conversation, giving the reader a final piece of encouragement on maintaining their day-to-day relationship structures.

B. Acknowledgments

A conversational section titled *"The People Behind the Build"*. It recognizes partners, family, early readers, and students who supported the production of the work.

C. Imprint Resources & Academy Index

A practical call-to-action back page. It lists the website **hexadigital.com**, companion tools, course frameworks, and development pathways offered by the Academy to help readers build their infrastructure in real life.

D. About the Author

A brief, grounded background profile of the author, written in a warm, relatable tone that bridges creative writing, mentorship, and system architecture.
