

LEGACY DIGITAL ASSETS

High-Utility Companion Tools for the 4-Volume Series

To move from theory to **Generative Success**, these volumes require active implementation tools. Below is the proposed catalog of digital products designed to accompany the books.

Volume I: Infrastructure Companion Assets

TOOL 01.1

The Registry of Thought: Interactive Digital Log

A Notion or spreadsheet-based "File System" for children to park ideas, tasks, and observations. Includes a "Mental RAM" dashboard to visualize mental clarity.

TOOL 01.2

The Sensory Firewall Audit (PDF Checklist)

A diagnostic tool for parents to audit the child's sensory environment, including digital intake, dietary triggers, and focus-block timers.

Volume II: Economy Companion Assets

TOOL 02.1

The Home Treasury Ledger (Excel/Google Sheets)

A fully formulated banking sheet for the "Home Economy." Tracks Earned Income, Commission, Family Taxes, and Interest-bearing "Toy Loans."

TOOL 02.2

The System Contract (Formal Document Template)

A high-end, printable contract for "Skin-in-the-Game" agreements. Codifies the Actions and Consequences for household management and resource use.

Volume III: Influence Companion Assets

TOOL 03.1

The Negotiation Deck: Persuasion Scripts

A series of "Conflict-to-Coalition" flashcards for children and parents. Provides word-for-word templates for resolving disputes and building influence.

TOOL 03.2

The Cognitive Empathy Heatmap

An analytical tool for older children to map out the motivations and IQ types of people they need to influence (teachers, peers, coaches).

Volume IV: Succession Companion Assets

TOOL 04.1

The Family Constitution Builder

An interactive template to draft the "Legacy Proclamation" and "Anti-Entropy Protocols" for the next 100 years of the family name.

TOOL 04.2

The Co-Architect Auditing Suite

A sophisticated set of "Pre-Vetting" questions and values-alignment matrices for choosing life partners and professional successors.

The Master Asset

The Architect's Legacy Ledger (Comprehensive Journal)

A premium, 365-day digital journal for the Guardian. It links the "My Move" logs from all 64 chapters into a searchable, long-term history of the family's engineering progress.
