

MASTER TABLE OF CONTENTS

SERIES SPECIFICATION: STUPID THINGS SMARTEST PEOPLE DO

VOLUME I: THE INFRASTRUCTURE OF THE SELF

PHASE 1: MIND ORGANIZATION & ORDER

Ch 1: The Registry of Thought 001

Mental Geometry and File-System Management

Ch 2: Triage Architecture 020

Prioritization Logic under Information Overload

Ch 3: The Order of Operations 038

Procedural Thinking and Sequential Logic

Ch 4: Cognitive Workspace 055

Environmental Minimalism for High-Output Thinking

PHASE 2: PSYCHOLOGICAL FORTIFICATION

Ch 5: Load-Bearing Character 072

Building Resilience to External Pressure

Ch 6: The Failure Sandbox 090

Normalizing Setbacks as System Diagnostics

Ch 7: Identity Encryption 108

Safeguarding Self-Worth from Performance Bias

Ch 8: The Delayed Gratification Circuit 125

Long-term Reward Cycle Engineering

PHASE 3: CLEANLINESS & HYGIENE

Ch 9: The Temple Protocol 140

Standard Operating Procedures for Personal Care

Ch 10: Environmental Sanctity 158

Ownership of Physical Space and Hygiene

Ch 11: Biological Maintenance 175

Nutrition and Sleep as Foundational Hardware

Ch 12: Aesthetic Discipline 192

The Logic of Presentation and Personal Branding

PHASE 4: SENSORY REGULATION

Ch 13: The Attention Firewall 210

Guardianship of the Mind's Sensory Inputs

Ch 14: Digital Fasting 228

Managing High-Dopamine Traps in Infancy/Adolescence

Ch 15: Quietude Calibration	245
<i>The Power of Stillness and Internal Processing</i>	
Ch 16: External Impulse Control	262
<i>Emotional Regulation through Sensory Awareness</i>	

VOLUME II: THE SOVEREIGN ECONOMY

PHASE 1: MONEY ECONOMICS & WEALTH

Ch 17: The Physics of Capital 280

Interest, Inflation, and Value Exchange

Ch 18: Asset vs. Liability Coding 298

Differentiating Growth from Consumption

Ch 19: The Home Treasury 315

Implementing a Domestic Banking System

Ch 20: Philanthropy & Flow 332

The Responsibility of Wealth Distribution

PHASE 2: MANAGING SCARCITY & ABUNDANCE

Ch 21: Artificial Scarcity Training 350

Generating Innovation Through Constraint

Ch 22: Abundance Temperance 368

Curbing Greed and Entitlement in Wealth

Ch 23: The Rainy Day Sandbox 385

Financial Risk Management Simulations

Ch 24: Equilibrium Strategy 402

Balancing Comfort with Productive Tension

PHASE 3: SURVIVAL & SUSTENANCE SKILLS

Ch 25: The Primary Hardware 420

Food Literacy, Cooking, and Sustenance

Ch 26: Mechanical Sovereignty 438

Basic Tools, Repair, and Home Maintenance

Ch 27: First-Aid & Bio-Crisis 455

Medical Response and Self-Preservation

Ch 28: Off-Grid Capability 472

Independence from Modern Outsourced Systems

PHASE 4: ACCOUNTABILITY ENGINEERING

Ch 29: Action-Consequence Mapping 490

The Law of the Harvest in Daily Choice

Ch 30: Contractual Integrity 508

The Weight of a Word and Signed Agreements

Ch 31: Restitution Logic

525

Engineering Solutions to Personal Errors

Ch 32: Skin in the Game

542

Financial and Social Risk Participation

VOLUME III: THE ARCHITECTURE OF INFLUENCE

PHASE 1: PEOPLE INFLUENCE & MANAGEMENT

Ch 33: Command & Presence 560

The Non-Verbal Logic of Leadership

Ch 34: Persuasion Frameworks 578

Ethical Rhetoric and Influence Engineering

Ch 35: Delegation Infrastructure 595

Managing Tasks Through Others Early

Ch 36: Crisis Leadership 612

Managing People under High Emotional Stress

PHASE 2: INTER/INTRA IQ MANAGEMENT

Ch 37: Cognitive Empathy 630

Inter-IQ: Communicating Across Intelligence Gaps

Ch 38: Bias Identification 648

Intra-IQ: Debugging the Smart Mind's Lies

Ch 39: Narrative Management 665

The Stories We Tell Ourselves and Others

Ch 40: Intellectual Humility 682

The Strategic Advantage of Not Knowing

PHASE 3: TOLERANCE & COLLABORATION

Ch 41: System Integration 700

Working with Personality Anti-Patterns

Ch 42: Coalition Building 718

Forming Strategic Alliances for Mutual Gain

Ch 43: Friction Mitigation 735

De-escalation and Professional Conflict Logic

Ch 44: Cultural Fluency 752

Navigating Diverse Value Systems Locally/Globally

PHASE 4: STRATEGIC NEGOTIATION

Ch 45: Game Theory at the Dinner Table 770

Win-Win Engineering and Stakes Management

Ch 46: High-Stakes Diplomacy 788

Handling Life's Major Contractual Crossroads

Ch 47: The Power of 'No'

805

Boundaries as a Primary Influence Tool

Ch 48: Leverage Auditing

822

Identifying Hidden Assets in Any Room

VOLUME IV: SUCCESSION & THE INFINITE GAME

PHASE 1: MAINTENANCE CULTURE CULTIVATION

Ch 49: The Anti-Entropy Mindset 840

Preservation as an Active Pursuit

Ch 50: Heritage Documentation 858

Recording the 'Why' for the Next Generation

Ch 51: Asset Stewardship 875

The Ethics of Managing Legacy Capital

Ch 52: Rituals of Renewal 892

Family Summits and System Re-calibration

PHASE 2: MARRIAGE & PARTNER AUDITING

Ch 53: The Co-Architect Protocol 910

Choosing for Legacy, not just Companion

Ch 54: Values Alignment Matrix 928

Auditing for Shared Trajectory

Ch 55: The Marriage Constitution 945

Codifying the Partnership Operating System

Ch 56: Conflict Resolution Mechanics 962

Engineering a Healthy Relationship Foundation

PHASE 3: SUCCESSION PLANNING

Ch 57: The Handover Sequence 980

Transitioning Authority Without Collapse

Ch 58: Mentorship Mastery 998

Training the Next Generation of Architects

Ch 59: The Estate Engine 1015

Legal and Functional Transfer of Assets

Ch 60: Post-Founder Stability 1032

Ensuring the System Survives the Source

PHASE 4: ANTI-DECAY PROTOCOLS

Ch 61: Decadence Detection 1050

Identifying Early Signs of System Rot

Ch 62: The Hard Times Simulation 1068

Intentional Hardship for Resilient Heirs

Ch 63: Purpose Re-Engineering	1085
<i>Adapting Legacy to a New Era</i>	
Ch 64: The Eternal Guardian	1102
<i>Establishing a Transcendent Family Identity</i>	

End of Master Table of Contents. Each chapter adheres to the 8-Step Maintenance Protocol.
