

Stop prompting. Start engineering.

Dunce to Midjourney Pro takes you from absolute beginner to commercially capable AI image engineer.

- Phase 1: Engine mechanics and foundational prompting
- Phase 2: Aesthetic control and advanced parameters
- Phase 3: Surgical in-painting and workflow systems
- Phase 4: Character consistency and business models
- Bonus: Post-Production in Photoshop and Illustrator

DUNCE TO MIDJOURNEY PRO

AI IMAGE GENERATION MASTERY

Dunce to Midjourney Pro

Prompting, style architecture, surgical editing, and production-ready workflows.
